

# Singular contents of thought Acquaintance and reference

Workshop with

**Susanna Siegel (Harvard University) and**

**Robin Jeshion (University of Southern California)**

**Monday, the 26th of June 2017**

Université de Liège, Espace paysager du Département de Philosophie  
(7, Place du XX août - 3<sup>ème</sup> étage)

## **Morning session (10am): contents and reasons within perception**

*Talk* : Susanna Siegel (Harvard University), « Rationality of perception »

*Discussion with* : Frank Hofmann (Université de Luxembourg) on experience, inference, and the house of reasons

Andy Orlando (Université de Luxembourg) on conservatism and epistemic downgrading

Denis Seron (FNRS/ULiège) on beliefs, perceptual experiences, and conditions of experience

Charlotte Gauvry (FNRS/ULiège) on the irrational part of perception

## **Afternoon session (2pm): description and acquaintance in reference-fixing**

*Talk* : Robin Jeshion (University of Southern California), « Two dogmas of russellianism »

*Discussion with* : Gregory Bochner (FNRS/ULB) on propositionalism as a third dogma of russellianism

Philippe Kreutz (ULB) on criteria for the distinction between singular and descriptive contents

Philippe De Brabanter (ULB) on the relevance of a distinction between type- and token-referentiality

Anthonin Thuns (ULB) on experiential deference

Bruno Leclercq (ULiège) on singularity of empty referring expressions
